

**REMARKS/ARGUMENTS**

Claims 46-72 and 78-105 are pending. By this Amendment, claims 73 and 74 are canceled, claims 78-80 and 82-86 are amended, and new claims 104 and 105 are added.

This Supplemental Amendment is provided since claims 76 and 77 were inadvertently canceled in the June 10, 2005 Amendment, whereas the intention was to cancel rejected claims 73 and 74. Accordingly, by this Amendment, claims 73 and 74 have been canceled while new claims 104 and 105 have been added to reintroduce the subject matter of claims 76 and 77 which were inadvertently canceled. As a result, claims 78, 79, 80 and 82-86 have been amended so as to depend from claim 104 rather than canceled claim 76.

In the December 10 Office Action, claim 76 was rejected based on obviousness-type double patenting. However, Applicants submitted a Terminal Disclaimer with the June 10 Amendment in order to obviate this rejection. Applicants appreciate the suggestion (per Examiner's Weaver's July 8 voice mail message left with Applicants' undersigned representative) to submit this Supplemental Amendment in order to expedite consideration.

Should the Examiner believe that anything further is desirable to place the application in better condition for allowance, she is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
